

Clara Toloba

I don't know if I found coding or coding found me. I started in graphic design, but soon discovered in frontend development a world of possibilities where creativity meets technology. I'm passionate about building accessible and functional interfaces, combining good practices with a user-centered approach.

2008 - 2016

Experience

Frontend Developer | Impulsum Studio

May 2024 - February 2025

- ✦ Built and optimized landing pages with Next.js, Contentful, and Autotune.
- ✦ Enhanced onboarding flows for IH using state machines, improving user experience and efficiency.
- ✦ Contributed to Composer (cmpsr.dev), refining usability and component reusability.
- ✦ Ensured codebase reliability with Cypress and Jest testing.
- ✦ Collaborated in cross-functional teams to deliver projects on time.

Frontend Developer | John Deere

April 2023 - April 2024

- ✦ Maintained and enhanced features for a high-scale platform with TypeScript, React, and Redux.
- ✦ Boosted platform reliability through Cypress testing and frontend optimizations.
- ✦ Implemented responsive design patterns using Sass and CSS Modules.
- ✦ Partnered with backend teams for seamless API integrations.

Frontend Developer | Apto Payments

October 2021 - November 2022

- ✦ Developed new features and maintained the platform using React, React Query, and CRA.
 - ✦ Designed and launched a new platform from scratch with Vue.js, integrating third-party libraries.
 - ✦ Created a scalable design system in React and Vue, documented with Storybook.
 - ✦ Maintained technical documentation with Docusaurus and ReDoc.
- Improved code quality with Jest and Cypress tests.

Frontend Developer | The Seed Squad

July - September 2021

- ✦ Built a new CRM from scratch using the Nuxt framework and Tailwind CSS, ensuring a fast and modern user interface.
- ✦ Integrated and managed data using Directus with both REST and GraphQL APIs, optimizing data workflows.

Marketing and Design Manager | Artecristal

March 2019 - October 2020

Graphic Designer - Product Photographer | Artesolar

August 2018 - February 2019

Graphic Designer - Illustrator artist - Store Assistant |

Wonder Photo Shop Fujifilm

January 2018 - August 2018
